Sem/Yr _____

Comprehensive Examination M.Ed.

Reader's Report

Please read the attached response and indicate your personal evaluation using the rubric below. Return to the graduate office _____. Please do not discuss comprehensive examinations with students or other faculty. Thank you for your assistance.

Reader_____ Date _____ Circle: Pass Fail

Scale: 3 = Exemplary 2 = Acceptable 1 = Marginal 0 = Unacceptable

Area of Question: **Teaching Strategies K-4 (EDU520):**

I **Subject Content**: The answer should show the importance of emergent literacy, good decisions for the learning environment, understanding of unit playing, and child development.

Question 1: The response for question one should include the importance of early literacy development; concepts about story elements, predictable text and comprehension are needed. Responses for questions one and three should show clear articulation, be grammatically correct.

Question 2: Is checking on the importance of individual group and aesthetic features in a well designed room. The floor plan for response number two is to be a drawing with asterisks that tell the specific reason for the item.

Question 3: Is checking on TIM mastery as well as what is content based and age appropriate. Response for question 3 should clearly show an understanding of TIM syntax.

Question 4: Is checking on child development being a "total" focus.
