March for Babies!!
Everyone make sure to go on and be raising money for this event! We want to double our goal from last year and make over $2,000!
Ways you can raise money are:

- Sponsors from restaurants
- Family members
- Bake sales
- Chores from your parents!

Please remember that this is important to support and these babies need our help! Little Noah Judd is a perfect example of one needing our support through this program!

Put your creative thinking caps on and come up with some awesome T-shirt designs for our spring semester! If you have a design please email it to Mrs. Wiley, Brittany Nichols, or Paige Atkinson! We must have these in before the meeting next week!

March Birthdays:

- 1-Hannah Allen
- 3- Marianne Sansom
- 13-Sara Muse
- 18-Shelby Sutton
- 19-Brittany Nichols
- 25 Tiffany Brink

Funny nurse slang terms:

- FMPS- fluff my pillow syndrome
- Cripsies-Tanning booth victim
- Chart dehiscence-when you drop a chart and everything falls out.
- NPS-new parent syndrome- a propensity to bring your child to the hospital every trivial thin. Used in charting. Baby had hiccups, sent home, NPS.
