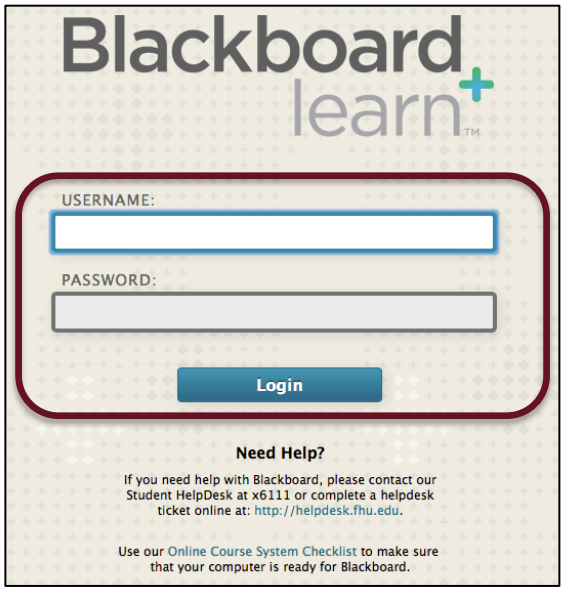
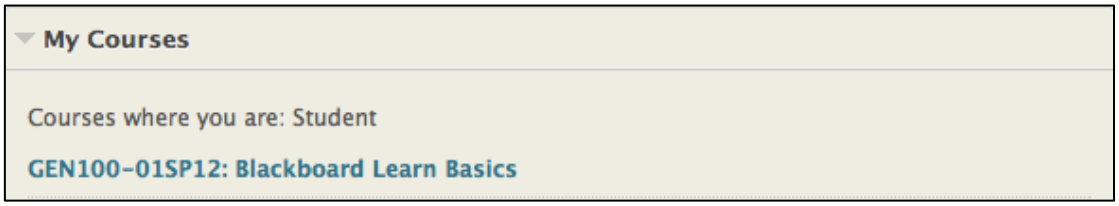
Checking Your Grades

In this section, we'll outline the steps to check your grades in Blackboard Learn.

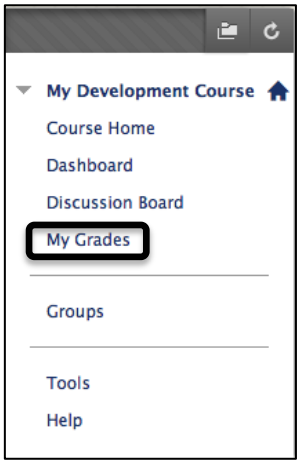
Step 1: Open Blackboard Learn in your web browser (http://blackboard.fhu.edu) and sign in using your FHU username and password. Your Home Page will then be displayed.



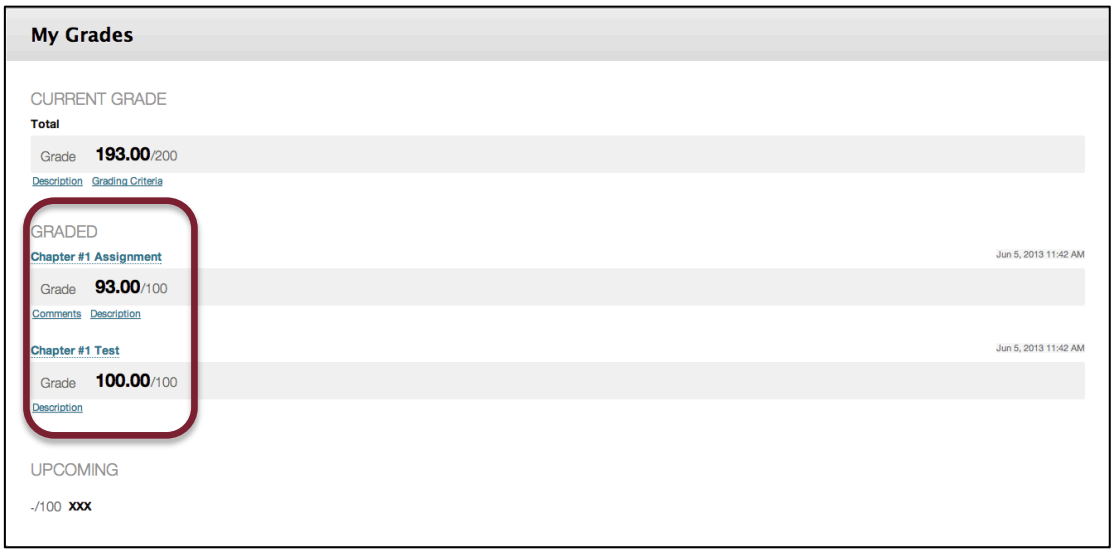
Step 2: Open your course by clicking on the course name in the *My Courses* module.



Step 3: Click the *My Grades* link in the Course Menu after the course is opened.



Step 4: The My Grades window will list assignments, tests, and other gradable items in a tabular format. The item name is listed along with the last submitted, edited, or graded date. Each item will list the possible points for the item and the grade received. Click *Description* to view more information about the item in question.



Step 5: Click the *Course Home* link on the Course Menu to return to the Course Home page.

Important: Please note that you may not see a grade for an assignment, test, etc. immediately after it's completed. Furthermore, your instructor may not release grades until a specific date or time. Contact your instructor if you have questions regarding your grades.
