## Freed-Hardeman University

## Independent Verification Worksheet 2012-2013

Your application was selected by the Department of Education for review in a process called Verification. In this process, FHU will be comparing information from your application with copies of your and (if you are married) your spouse's 2011 IRS Tax Return Transcript. The law says we have the right to ask you for this information before awarding Federal aid. Try to complete Verification as soon as possible, so that your financial aid will not be delayed.
