Financial Certificate

You are required to certify that you will have available the sum of $28,000.00 USD for your expenses for your first academic year at Freed-Hardeman University, exclusive of travel expenses. You should also indicate how you will meet your expenses for subsequent years of study. Students who plan to stay at Freed-Hardeman through one summer will need an additional $5,000 USD.

When computing your expenses, you should bear in mind that students holding the student (F-1) visa will not be authorized to work, except possibly on campus for a limited number of hours per week. Therefore, the student should not look to employment as a significant means of support while at FHU. Under no circumstances are students allowed to work full-time during the school year.

If you are a married student and plan to bring your spouse and children, a proportionately larger amount must be certified on the basis of at least an additional $4,000 USD per academic year for your spouse and $4,000 USD per academic year for each child. Spouses of F-1 visa holders are NOT permitted to work.

You are likely to need this documentation to prove to the U.S. Consular officials that you have sufficient funds to travel to the U.S. to study. We suggest that you make copies of all documents for this purpose.

NOTE: A Form I-20 (for the issuance of a visa) cannot be issued until you have been admitted to the university and have completed this form to our satisfaction and returned it to the university.
