Wayne Poucher Brings National Title to F.F. C.

One of the most thrilling elections in the history of the school held in F.F. C. during the past year was the election of its first Senior Class organized. The privateciters (now almost revolutionized) in this country is due to the election of John Sam Cay, who was then chosen as a special delegate to the post of president. This act is the first officers the identical places of the school and responsibility which they held as leaders of the Junior Class, but it is the first time that a table and a letter send to the most modern breakfast meal.

The furnishings of the far from the wardrobe are tailored, making it a desirable place in which to live in both summer and winter. The desk helps regulate the air in the room and the beautiful white linen of the color contrast on the floor. The oil heater is a neat and comfortable warm."..." All the above has shown and explained the furnishings of the room to Miss Pouchet, where she spent last Halloween. She went on to say that it is a real place in the state of New York, and I'm hoping that it will be like Henderson and I'm happy that it will be like Henderson.

It came time for me to leave, but as I departed, I cast one more glance at the room, the table, the chairs, the stove, and the piano, and I knew that it was truly a modern home on wheels - "The Covered Wagon" of today.

Halloween Party Holds Spotlight At Freed-Hardeman

With the month of October upon us, Halloween parties are in full swing on college campuses across the country. This year, the university community gathered for an Annual WEZL, the annual radio station of Freed-Hardeman University.

During the party, students and faculty enjoyed live music, a costume contest, and the presentation of several awards. The evening concluded with a fireworks display, illuminating the night sky above the campus.

Students Hold Annual Outing at Chickasaw Park

On this day, the university community celebrated the fall season with a day trip to Chickasaw Park. The park is located just outside the city limits and offers scenic views of the surrounding area.

The day began with a guided tour of the park, followed by a picnic lunch. Students and faculty enjoyed the beautiful weather and the peaceful atmosphere. The day ended with a bonfire and music, creating a memorable experience for all attendees.

EXCHANGES

There are 1,900 students enrolled in the various colleges and universities of F.F. C. There is nothing more interesting than an exchange student from another college campus by reading about their experiences. The following interesting material might stimulate more interest in your future.

Of the 333 University of Oklahoma co-ed outgoing a questionnaire, only 74% said "friends." One of my personal friends, who had been an exchange student, recently shared with me her experiences.

"I had the privilege of studying abroad in France during my junior year," she said. "The experience was truly transformative and taught me so much about different cultures and perspectives."
Sports have been very exciting on the campus at Free-Hardeman during the past two weeks with the Freshmen and Senior softball teams fighting for the title of best team on campus. To date the standing is as follows with the Seniors and Sophomores tied in second place, and the Freshmen in third. The championship game is yet to be played and it promises to be a terrific battle, with both teams having won one game each.

The tournaments in the various sports which have been going on among the different societies have thus far been very excitingly distributed. The tournament in tennis between the Phi Rho team and the Phi and Phils in "unofficial" football. In basketball the Phi and the Phils played a great game this week. It was hard-fought and the Phi boys came out on top, winning with brilliant play. The Phi Rho team scored several important goals in the final minutes of the game, leading to their victory. The Sportsmen are looking forward to their next game.

BROTHER AND SISTER GEORGE PEPPANEY  PAY VISIT TO F.M.C.

SIGMA RHO

We, the Sigma Rho, with both quantity and quality to our credit, look forward to making 1938-39 the banner year in the history of the society.

At a recent meeting of the society, elections were held and the following officers will serve for the coming year:

President, Leroy Goddard; First Vice-President, Isidore G. Cottrell; Second Vice-President, Paul F. Conner; Treasurer, Harold A. Burian; Secretary, M. E. H. Stiles; Recording Secretary, Harold R. Kerr.

Again the brothers have shown great interest in the sports activities of F. H. C. Their fighting spirit is evidenced by their participation and interest in the various contests between the society and the other fraternities on the campus.

In "football football" the Sigma Rho was not so successful. Although it was a hard-fought game, they lost to the Phi Beta by a score of 30 to 6. However, the softball game with the Philomatheans resulted in a sweeping victory for the Sigma Rho, the score being 8 to 1.

HALLOWEEN PARTY HOLDS SPOTLIGHT

(continued from page one)

...patrons, many of them found their hidden personalities revealed.

Next was the Dark Room, the thrill of the evening. For those who did not care for the airplane ride, there was the somewhat tame novelty of the Dark Room.

As another feature, each society had appointed two representatives for an egg race, the egg to be propelled by the contestants' noses. The Phi Rho won this event with first place, Sigma Rho second, and Kappa third.

After the carnival feeling had had quite a reign in the building, the bright flames of a big bonfire were the center of interest. The guests entered in great numbers. With the wind blowing briskly, everyone gathered around the fire, singing songs and telling ghost stories until the piercing flames died to smoldering coals. Then large carousals of moonlight limbs were brought out to be toasted.

The last marshmallow vanished, and the coal burns lower and lower until the time came for the Halloweeners to trek to their native haunt—the ghost to the grave; the witch on her broom to the road; the goblin to his hobbit; the black cat to his regular pull of place; the pixie, the pirate, the Gold-Dust Twins, Turnkey Fian, the Backward Man, Hitler, Beauty, and the rest of the jumbled personalities, to the cloistors and mansions and towers where they will repose for another year.
